Other stuff:

need enough paper goods for 200 people, we will go buy it for you and only charge you the cost of the goods (what would you pay if you did it by yourself) plus \$10 for the service.

We only will get simple things like Chinet or Daisy. If you desire something fancier, you will have to search elsewhere.

If there are any other requests, please feel free to ask. This is just a basic breakdown of things.
